INFORMATION DISCLOSURE STATEMENT

Dear Sir:

- 1) Pursuant to 37 C.F.R. 1.56, 1.97 and 1.98 applicants enclose a Form PTO-1449 and make of record the documents listed thereon. A copy of the English Version of the International Search Report issued in the counterpart PCT International Application on June 26, 2003 and a copy of a German Search Report issued in the counterpart German Application on May 12, 2003 are enclosed. A copy of reference AE and English Abstracts for references AD and AE are enclosed.
- 2) This statement is being filed concurrently with the above identified new PCT National Phase Application.
- 3) In view of the waiver of the requirement (see 1273 OG 55, August 5, 2003), we are not enclosing a copy of the cited U. S. Patents (References AA to AC).
- 4) Copies of references AB, AC and AD are not (and need not be) enclosed, because they were transmitted to the USPTO by the

DT15 Rec'd PCT/PTO 23 SEP 2004

International Searching Authority in the International processing of this PCT Application.

- 5) References AA to AC are in English. References AD and AE are each accompanied by an English Abstract. Reference AD is discussed at page 1 of the specification. Therefore, no further discussion of the references is required.
- 6) Moreover, the enclosed Search Reports indicate the degree of relevance of each of the references AA to AE by category (A = technological background; and D = document cited in application). Thereby, a concise explanation of the relevance has been provided (see M.P.E.P. §609).
- 7) The Examiner is requested to consider all references of record, return an initialed copy of the enclosed Form PTO-1449 and ensure that all references of record are printed on any patent issuing from this application.
- 8) Favorable consideration and allowance of the application, including all present claims 1, 2 and 12 to 20, are respectfully requested.

Respectfully submitted,
